UNICEF Iran Country Office – Tehran

Dear Sir/Madam,

On behalf of Aluminium Arak Cultural and Sports Club, we are honored to express our club's willingness to host a friendly football match between our senior team and a group of orphaned or vulnerable children under the care of the Welfare Organization and your respected office.

This initiative aims to foster hope, joy, and support for vulnerable children through the spirit of sport.

Considering the limited time remaining before the start of the new Iran Pro League football season, we respectfully request that your esteemed office instruct your colleagues to review this proposal and, if approved, arrange the match within the next 20 days.

The club is also fully prepared to host your designated representative in the city of Arak to support coordination and successful execution of this event.

In this regard, Mr. Reza Mirzaei, with National ID No. 0552276832, phone number +98 913 456 7188, and email address mirzaiireza722@gmail.com, is appointed as the official representative of Aluminium Arak Cultural and Sports Club for follow-up and coordination.

With sincere appreciation,
